The cost per cup for the Necta Full Service Vending Machine is 90c ex gst on all products vended and all consumables are included such as milk, coffee, chocolate, sugar, cups, stirrers etc.

KEY BENEFITS OF PAY PER CUP USAGE

- Free machine installation and ongoing maintenance.
- We supply consumables and refill machine.
- No need for staff rosters to clean and maintain machine.
- Less hygiene issues compared to fresh milk machines.
- More cost effective option than fresh milk machines.
- More hot beverage options than traditional coffee machines.
- A detailed beverage report is issued on a monthly basis.
- Quality Coffee beans freshly-grounded in all machines.
- Ideal for companies offering free coffee to customers and staff – all workplaces, gaming/bingo, hotels/motels, B&B, car yards, showrooms, etc.
- Many selections – Cappuccino, Cafe Latte, Moccacino, Espresso, Flat White, Macchiato, Long Black, Chicken Soup, White Chocolate, Chai Latte, French Vanilla, Hot Chocolate.
- Replacement machine if not repairable on the same day.
- We own equipment so it's in our interest to have it in 100% operational condition.
